### **Western Pennsylvania Resource Guide**

We are a free service to help families choose an appropriate Independent Living apartment with services, Personal Care Home, or Assisted Living community for their loved one that matches the medical needs, financial capabilities, and geographic preferences.

With the family's permission, we will assess the candidate at home, at the skilled rehab unit, or at the hospital. After obtaining an accurate report to determine the scope of care the individual requires, we make appropriate recommendations of communities that fit the parameters of medical, financial, and geographic needs.

Senior Living Advisors will accompany the family and prospective resident on tours to help them through the process. Our skilled representatives will always make recommendations as if it were pertaining to our own Mom, Dad, or other loved one. We answer seven days a week.

# Senior Apartments - Butler County

Public housing is rental housing provided to income-eligible families, seniors, and persons with disabilities. Public housing comes in all sizes and types--from single-family houses to high-rise apartments for seniors. Residents in public housing may either pay 30-40% of the adjusted gross income for rent, or a flat fee based on the unit for which they qualify. The type of payment depends on the way the building is funded, so contact each building for information.
