

**NPDA Home Care Providers**  
*Compliments of Senior Living Advisors*  
Western Pennsylvania Resource Guide

We are a free service to help families choose an appropriate Independent Living apartment with services, Personal Care Home, or Assisted Living community for their loved one that matches the medical needs, financial capabilities, and geographic preferences.

With the family's permission, we will assess the candidate at home, at the skilled rehab unit, or at the hospital. After obtaining an accurate report to determine the scope of care the individual requires, we make appropriate recommendations of communities that fit the parameters of medical, financial, and geographic needs.

Senior Living Advisors will accompany the family and prospective resident on tours to help them through the process. Our skilled representatives will always make recommendations as if it were pertaining to our own Mom, Dad, or other loved one. We answer seven days a week.

The **National Private Duty Association (NPDA)**, a non-profit organization, is the Nation's Leading Association for Providers of Private Duty In-Home Care. NPDA member agencies employ, train, and supervise their caregivers who provide a variety of care levels including homemaker services, companionship, and home health care. When selecting your Private Duty In-Home Care Provider, consider using the included NPDA Member Agencies, who adhere to the NPDA Best Practices Guidelines.

Members of the **National Private Duty Association** advocate and practice the following KEY FACTORS:

- Member agencies screen and select caregivers prior to an assignment.
- Members hire their caregivers and do not use independent contractors.
- Members adhere to state and federal guidelines in employment practices, such as
  - Withholding required taxes
  - Providing workers' compensation
  - Conducting background and reference checks
- Members develop an individualized plan of care along with the client and family.
- Members have 24/7 on-call availability.
- Members monitor the caregiver services and make regular visits to the client's home.
- Members manage all payroll and employee-related matters.

The next page consists of the active Greater Pittsburgh NPDA members who choose to be in this resource guide.
