

# **Meal Programs – Spartanburg County**

## *Compliments of Senior Living Advisors*

### **Upstate of South Carolina Senior Resource Guide**

We are a free service to help families choose an appropriate Independent Living apartment with services, Personal Care Home, or Assisted Living community for their loved one that matches the medical needs, financial capabilities, and geographic preferences.

With the family's permission, we will assess the candidate at home, at the skilled rehab unit, or at the hospital. After obtaining an accurate report to determine the scope of care the individual requires, we make appropriate recommendations of communities that fit the parameters of medical, financial, and geographic needs.

Senior Living Advisors will accompany the family and prospective resident on tours to help them through the process. Our skilled representatives will always make recommendations as if it were pertaining to our own Mom, Dad, or other loved one. We answer seven days a week.

## **Groceries**

### **Emergency Food Assistance Program**

The Emergency Food Assistance Program (TEFAP) allows people in need to access food immediately through local food banks. Individuals or families with monthly income at or below 150% of the federal poverty level—see chart below—are eligible to get groceries through this program.

**Food Stamps/SNAP**

The Food Stamp program provides funds to individuals and families to help with the cost of food. In South Carolina, Food Stamps are issued using Electronic Benefits Transfer (EBT). Recipients are given a card that works like a debit card to use at the store.

If a person is eligible and Food Stamps are needed right away, they will be issued within seven days. Otherwise, they will be issued within 30 days. Be sure to let the agency know at the time of application if there is a critical need to have the stamps right away.

The income limit for SNAP is approximately 130 percent of the federal poverty level—see chart below.

You may complete an application for Food Stamps at your local Department of Social Services (DSS) or you may use the application form on the DSS Web site and deliver, mail, or fax the application to your local DSS office.
